Intuit® Field Service Management ES

powered by Corrigo

TimeCard

TimeCard allows you to capture your staff's hours directly from the field, and cut your payroll processing time and work when timesheets are uploaded into QuickBooks Enterprise Solutions. Easy-to-use time cards on each field technicians's mobile phone eliminate time card errors and validate the technician's location at clock-in and clock-out.

Do Payroll Right

LOGIN: Techs log in and out on their mobile devices, saving trips to the office

GPS: Geo time stamp verifies where they login from, so you know your tech is at the right place, at the right time

SAVE HOURS: The minutes saved each shift using accurate payroll add up to hours each week

Approve Payroll Fast

NO WAITING: There's no waiting for timesheets to come back to the office

EASY: Review consolidated time sheets and approve them with less effort

LESS MESS: No more paper time cards

Link Time Sheet Data to Payroll

INPUT: Inputs time card data for you, so you don't have to

ENTER ONCE: Syncs with Intuit QuickBooks Enterprise Solutions 9.0 which means no re-entry for the back office

SAVE HOURS: Overtime auto calculates to save valuable back office hours with a click of a button

"It facilitates our entire work order process. Work orders don't slip through the cracks and my invoicing is very precise. Everything is in real-time, accurate, and the best part – there is NO PAPER. "
